

Award-Winning World-Class eLearning

eLearning that works.

Building impactful eLearning solutions that drive business results, support performance, ensure compliance and enable cultural change is not a simple or easy task – but that’s exactly what we do for our clients!

All of Artha’s work is diverse, inclusive and accessible.

Why Partner with Us?

- ✔ **Smart Instructional Design meets Excellent Media Production**
Tailor the language, content, and visual design of your eLearning to actively engage your learners and fuel their learning & performance.
- ✔ **Professional Project Management and Quality Assurance Practices**
Ensure your work is complete, on-time and exactly what you wanted.
- ✔ **Post-implementation, Worry-free Warranty**
Get a one-year warranty on everything that we deliver.

Want to Learn More? Contact Us

Artha Learning Inc. is a full-service, end-to-end digital learning firm that designs and develops award-winning, customized eLearning solutions to engage and immerse your learners, inspire real learning and deliver meaningful results for you and your learners.

We take pride in exceptional client satisfaction and retention, driven by our commitment to your success.

Our multi-cultural, multi-generation and multi-lingual team of experts has global experience and an in-depth understanding of cultural nuances.

How We Help

- ✔ **We build all types of Custom eLearning and Blended Learning Solutions**
Create anything from multi-module curriculum to short video-based micro-learning, and everything in between.
- ✔ **We offer an Off-the-Shelf Library of Ready+® Courses**
High-quality modules that can be easily deployed on any LMS, overnight – with your logo, colors and even your content!

When fully customized is not your answer, Artha also offers a library of Ready+® courses that are ready-to-go, yet highly customizable for you – for a one-time fee.

Great eLearning Made Effortless.
